

## GitHub

1. Create and send your GitHub username to add you in our GitHub page at **Antonia Chroni**. Please ensure you have updated your email address to St Jude's one, so you receive notifications as necessary.
2. You should also download the Authenticator app on your phone for using it for [Configuring two-factor authentication](#) (2FA) that's mandatory for a lot of things/processes at GitHub.
3. [stjudeDNBBinfCore](#) is our page. Please follow and ask to join!
